SCHOOL REPORT.

The length of schools this year will be 35 weeks. The number of scholars has increased since last year. The Centre school at one time having 16 scholars, an increase of nine scholars. There has been 16 at the Upper Village and 16 at the East Village.

During the Spring term the Centre school was taught by Miss Minnie L. Beede, an experienced and successful teacher. At the end of the term she took up a new vocation and made South Hampton her home. While the school board were sorry to have her give up her school we were pleased to have her make South Hampton her future home.

The Fall and Winter terms were taught by Miss Bertha R. Carter. This is Miss Carter's first school. The visiting member reports a good school. This school has a few more weeks to keep.

The Spring term at the Upper Village was taught by Miss Isabelle C. Swain. Miss Swain has taught in this town several terms, one year at the East Village and a number at the Upper Village, always with good success. Miss Swain holds a State certificate which we would advise all intending to make teaching their vocation to have.

The Fall and Winter terms were taught by Cyrus G. Smith. The school board report good discipline and that the school is getting along nicely under Mr. Smith's charge.

The East Village school has been taught the four last terms by Miss Hazel L. Witherell. Good progress has been made by the scholars the past year.

We believe it is for the best interest of the schools to retain the same teachers whenever scholars are progressing finely under their care.
